- Dockside Power, Inc. Pedestal Warranty Policy

- When warranty repair is justified, Dockside Power, Inc. welcomes such repair by its factory.

In most instances, the requests for warranty brought to our attention are handled in a prompt and routine manner with no questions regarding validity. However, some requests for warranty are received which appear unjustified. In these cases, owners may not be aware that the premature failure of their pedestal was the result of abuse neglect, or that the connected equipment rather than the pedestal caused the difficulty which they experience. The following are not covered: damages resulting from accident, misuse, abuse, neglect, product modification, improper installation, incorrect shipping, claims must be presented to the carrier. The warranty on any products on which the serial number has been defaced, modified or removed will be null and void.

For the time period of one year after the date of sale, Dockside Power, Inc. will replace for the original purchasers, free of charge, any part or parts of the power pedestal, found upon examination by the factory in Hollywood, FL to be defective in material or workmanship or both; this is the exclusive remedy. All transportation charges on parts submitted or replacement under Warranty must be borne by purchaser. For Warranty service, contact Dockside Power, Inc.
